SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS

**NOTICE OF INTENTION TO AMEND A
CONFLICT-OF-INTEREST CODE**

NOTICE IS HEREBY GIVEN that the Southern California Association of Governments (SCAG) intends to amend a conflict-of-interest code pursuant to Government Code Section 87300 and 87306. Pursuant to Government Code Section 87302, the code will designate officials and employees who must disclose certain investments, income, interests in real property and business positions, and who must disqualify themselves from making or participating in the making of governmental decisions affecting those interests.

A written comment period has been established commencing on November 17, 2008 and terminating on January 5, 2009. Any interested person may present written comments concerning the proposed code no later than January 5, 2009. No public hearing on this matter will be held unless any interested person or his or her representative requests a public hearing, no later than 15 days prior to the close of the written comment period.

SCAG has prepared a written explanation of the reasons for the designations and the disclosure responsibilities and has available all of the information upon which its proposal is based.

Generally, these amendments would add new designed positions that make or participate in making governmental decisions and delete positions that no longer exist at SCAG, mainly due to the SCAG organizational restructuring that occurred in July 2008.

Copies of the proposed code and all of the information upon which it is based may be obtained from SCAG. Any comments or inquiries concerning the proposed code should be directed to:
